About the  
Bishop  
Chamber...

The Bishop Area Chamber of Commerce & Visitors Bureau is a positive and proactive organization that works to promote business, tourism and greater Bishop for the betterment of the community and its residents.

**A strong and healthy local economy is vital to each and every business and we hope you will consider joining our efforts.**

**Chamber Membership Benefits More Than Just Hotels, Restaurants & Retailers....**

While it's true that some businesses deal more directly with visitors than others, *our entire economy depends on tourism revenues*. Your customers may be local, but their customers may be visitors. The majority of sales tax collected within the City of Bishop comes from those who reside outside of our city. In 2008, hotel tax alone provided \$1.8 million to the city's budget. These revenues are critical to our quality of life, helping to pay for health & safety programs, parks & recreation, and so much more.

**Promoting Tourism...**

*So how does the Bishop Chamber work to promote tourism?*

**Visitor Center:** Open 7 days per week year-round. We assist over 13,000 walk-in visitors annually plus telephone, email and mail inquiries.

**Major Media Advertising:**

Sunset Magazine, RV Journal, Western Outdoor News and others.

**Events:** Fred Hall Sport Show, Blake Jones Fishing Derby, Press Reception, Rainbow Trout Festival, CHSRA State Finals Rodeo and others.
